Nebraska Wing Bulletin

2008 WING CONFERENCE: Has come and gone and was a great success! Many thanks to Brig. Gen. Richard Anderson and Otto Wachholtz for their encouraging words about the future roles of the cadet and senior opportunities in CAP and the recognition of those that have led the way thus far. Highlights of the event included the presentation to Lt. Col. Jim Nitz on his retirement after 38 years of service to the CAP program, the change of command at Lee Bird Composite Squadron from Maj. Barb Nitz to 1Lt. Greg Schriver and the announcement of reinstatement of Col. Steve Kuddes as the North Central Region Commander.

AEROSPACE ED CORNER

Do Star Trek nerds work at NASA? They might. Can you name the first space shuttle which was used as a test vehicle? If your answer was Enterprise, you are correct! The name Enterprise was chosen in honor of the ship of the "Star Trek" television series. To learn more, go to www.historydaily.com
