From the recent CI—there will not be any more payments either from the Wing HQ or from your unit funds without all receipts or copies attached to the proper request form. The Wing got “zinged” on not having some receipts for cash expenditures that had already been paid. If the member expects a reimbursement, a receipt must be obtained for the purchase.

Now is the time to start thinking about awards. If you want to nominate someone for an award, the Brewer Award is a good place to start! Category I is for cadets who have earned their Mitchell Award and are current members. Category II is for seniors who have earned the Yeager Award and are current members. Category III is for individuals and Category IV is for organizations. Just fill out a CAP form 25 and submit it to the Wing Director of Aerospace Education by January 15, 2007. For more information, read CAPP 15, pages 49-53.

Forms:

Unit Commanders, please ensure your members use the current 300 series of Wing Forms. Using the wrong form will cause a delay in getting a reimbursement from the Wing HQ.

All:
First off, I'd Like to say thanks to all of you for your efforts in preparing for the CI. The latest information I have is that we've faired well on the inspection. The out brief will be held 10 November at 1800 hours in Bldg 407 conference room. We will find out more about the results then. You are invited to attend if you wish. As for the meeting on the 11th, in honor of Veteran's Day and the completion of our CI, Colonel Todd and I would like for all of you to take the evening off, and enjoy a Tuesday evening doing whatever YOU want to do for a change! Of course, if any of you have ultra-pressing business that just can't wait a week, you may go to the HQ if you really need to. However there will be few, if any command staff present, and Madeline will not be working that evening. I also believe Otto will have that day off as well. Again, thanks to all for your dedication to your responsibilities at Wing, and your careful preparation for this important event. Without all of you doing what you do, this Wing would not be effective in carrying out CAP's missions. Your efforts and dedication are well known and greatly appreciated. Happy Veteran's Day.
