

# Nebraska Wing Bulletin

**SARDR Evaluation** was held 10 May at the Grand Island Airport and received an overall rating of "Successful". Colonel Ward Shires, Incident Commander, said with 90 members in attendance and even though inclement weather prevented our aircraft from participating, he stated "Nebraska Wing has proven once again that we are capable of performing our mission". Captain Tom Schaeffer, Wing Director of Communications added the AF Evaluator characterized the communications rating as a 'very strong Successful with noteworthy comments of 'very organized' and 'effective'. Job well done with appreciation and sincere thanks for the excellent performance of all members who participated and contributed to the planning and completion of the exercise.
